

## HAVE YOU ORDERED ANNUAL SERVICE FOR YOUR VESTERGAARD UNITS?

The de-icing season is not yet over, but the Customer Service Team at Vestergaard Company has started preparing this year's service tour. Please notice our

**5% early-booking discount until April 4<sup>th</sup> 2014.**

Please consider renting VC's descaling unit for heater – it quickly pays off. Please also notice that we'll book service orders into the calendar according to incoming service booking! Should you wish us to send the quotation directly to you or a colleague, please revert with the respective e-mail address to Gabriella Stuhler: [gs@vestergaardcompany.com](mailto:gs@vestergaardcompany.com) and you'll receive our service quotation automatically every year.

The Vestergaard Customer Service Team is ready to service you!

## A CONSIDERATION THAT PAYS WELL: VESTERGAARD COMPANY'S SERVICE CONTRACT

We encourage you to consider taking advantage of a **SERVICE CONTRACT**.

**WHY?** A Service Contract will **facilitate** your life and give **substantial improvement** such as:

- **flexible contract duration** (3-5 years contract)
- **easier & earlier planning**
- **no delay in execution**
- **fixed prices for the whole contract period**
- **no annual price negotiations with your cost centre**
- **thus giving you an easy overview regarding costs**

Did we spark your interest?

Just contact our customer service department. We will be pleased to submit to you the most appropriate solution - **cut to fit your requirements**.

For further information please contact: Mrs. Gabriella Stuhler - [gs@vestergaardcompany.com](mailto:gs@vestergaardcompany.com).

**SPRAY NOZZLE FOR ELEPHANT BETA + BETA 15**

**Vestergaard Company A/S is constantly anxious to offer our customers best possible service and products.**

It has now been 4 years since we started production and test of our, by then newly developed, spray-nozzle. It turned out to be a real success, so we've decided to re-present you to the advantages of this special spray nozzle:

- A significant increase of the diaphragms' durability in the liquid pumps, due to a lower fluid pressure
- A longer spray distance
- The possibility to build this nozzle on older units.

If this has sparked your interest, please let us know, so we can see if we can mount the nozzle on your unit. Please contact Vestergaard's Service Department, Ms. Jane Hyldig at [jhy@vestergaardcompany.com](mailto:jhy@vestergaardcompany.com)
